School Holiday Catch-Ups!

Helping kids shine even during the holidays

The school holidays are the perfect time to:

- **Catch up with your Therapist** – check in, chat and see how things are going
- **Set new goals** – get ready for the next school term with fresh ideas
- **Build skills in a relaxed way** – without the rush of school routines

Why join in?

- Keep your child's progress moving forward
- Make the most of holiday downtime
- Start the new term feeling confident and ready

Spots are limited! Call (02) 4959 8920 book your holiday session today!

School Holiday Groups!

happydots
Therapy Services for Children

Sensory Science

In Sensory Science your child will engage and explore simple science experiments that are loads of sensory fun and also teach basic scientific concepts.

5-9 yrs

Details:
Wednesday, 30th Sept at 9am
45 minutes

Areas of skill development:

- Tactile skills
- Problem solving
- Motor planning
- Visual perceptual
- Attention span

Please wear old clothes!

Sensory Science is an exciting, fun way to explore with others. Creative, multi-sensory play whilst discovering the important scientific concepts and skills.

Minecraft Mates

Who loves Minecraft? It is a group program that children can attend to create Minecraft characters using Hama beads. The group allows children to learn and work alongside other children with the same shared interest.

7-11 yrs

Details:
Wednesday, 7th Oct at 10am
45 minutes

Areas of skill development:

- Fine motor skills
- Hand-eye & Bilateral coordination
- Social skills
- Spatial awareness
- Executive functioning
- Visual perceptual skills
- Persistence and resilience

Join us for some School Holiday fun!

Leave us a review!

We would like to know how we did.
